

## Our philosophy

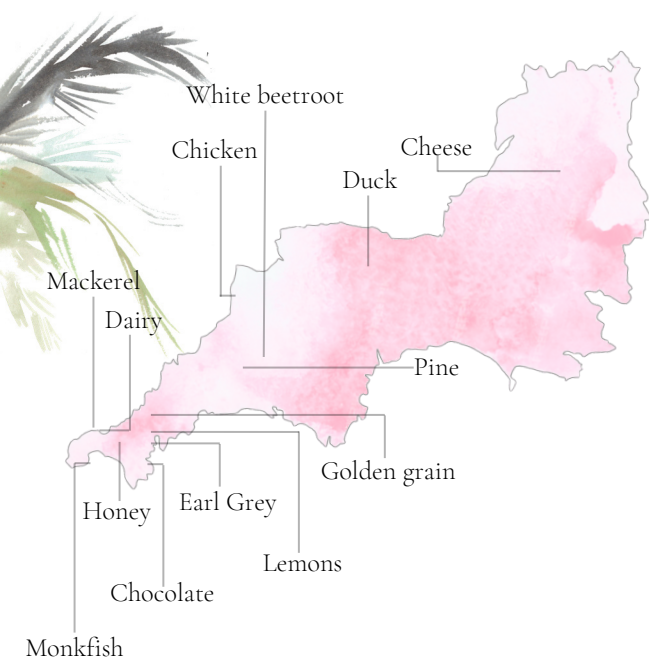

There is no such thing as an Ugly Butterfly,  
there is no such thing as food waste.

We utilise the whole of the animal and treat vegetables  
with the same respect.

Any parts of ingredients that aren't used on the  
restaurant menu are used to form the basis of the drinks  
on our cocktail list. From tops to peels to stems - off-cuts  
to seeds - we utilise it all.

## Sustainable local luxury

We work closely with growers, farmers and fishermen  
across Cornwall,  
to showcase this incredible county and  
the seasonal ingredients it produces.

## Native Oysters

Our oysters come from Porthilly, on the north coast  
of Cornwall. Native oysters are famous for having a  
deeper flavour and a firmer texture than others.  
Historically, oysters have been over-farmed in the  
UK, which is why sustainable practices are so  
important to the protection of the species and the  
local marine ecosystem.
